WE RELY ON YOUR SUPPORT!

Being a member of the Wisconsin Historical Society is about much more than the special benefits, valuable discounts and exclusive events you will enjoy.

Like the pioneers who first established the Wisconsin Historical Society, our members take pride in the rich heritage that has been handed down from generation to generation – and they want to make certain that it is protected and passed on.

This cherished inheritance includes everything from our ethnic customs, family traditions, and personal values and beliefs, to treasured heirlooms, significant buildings, and historic artifacts and documents.

It is because of the vital support provided by the State of Wisconsin and our dedicated members that the Wisconsin Historical Society has been able to collect, preserve and share the priceless evidence of the past since 1846.

If you value and enjoy the history of our state and nation, become a member of the Wisconsin Historical Society. Your support will ensure that our stories, and those of our ancestors, are told for generations to come.
